

THIRD ANNUAL  
*Aliprandi Family*  
**REVERSE ADVENT CALENDAR**  
*Food Drive*

2021 was definitely better than 2020 but we're still not all the way back from the pandemic. There are still so many people in our community in need of local food pantries. The demand has organizations struggling to keep their shelves stocked. But just like the last 2 years, we can all help with that!

Traditional Advent calendars have numbered boxes containing a sweet treat to mark the 24 days leading up to Christmas. Once again, we're encouraging you to have a Reverse Advent Calendar! With each day that passes you *give something rather than receive*— an item of food that will be donated to a local food pantry.

*Here's what you need to do!*

1. Find a sturdy bag or box and place a food item within it for each day of Advent using the list provided. This is your Reverse Advent Calendar! (*Feel free to include a note of good wishes for the New Year or a drawing from your child.*)
2. Drop off your donation:  
**KC HALL** | 15 North Hickory Avenue | Arlington Heights  
 WEDNESDAY, JANUARY 12 | 5:00 – 7:00 pm  
 THURSDAY, JANUARY 13 | 5:00 – 7:00 pm

**THAT'S IT!**

Donations will be delivered to the following food pantries:

**Mount Prospect Food Pantry | Northwest Compass | Journeys**

*Rather make a cash donation?*

No problem! We are accepting \$25 cash donations which will be used to purchase gift cards from local grocery stores. Gift cards can be used to purchase fresh produce and frozen foods not available at local food pantries (Last year we were able to purchase over \$1,800 in gift cards that were divided up between the food pantries!).

**At a time when the meaning of Christmas can easily get lost in the chaos of a world gone crazy, what better way to share with your family the true spirit of the season. Create your own Reverse Advent Calendar and count down the days by helping those less fortunate right here in our community.**

*24 Days of Giving*
